

Remind 101 Text Alert Sign Up

What?

Remind 101 is a great way to stay in the loop regarding rehearsals, performances, traveling meeting times, and other music department communications. All students with cell phones **MUST** sign up for this service to receive alerts. Parents are encouraged to sign up as well so that they can stay in the loop of what is happening!

How?

Download the free app, “Remind 101” for a more detailed alert experience, or follow the instructions listed for your organization below. I will not have access to what contact information is provided specifically and students will not have access to my personal phone number through this messenger. Each class has a different code. Please text the unique code for each class to the number provided:

Jazz Band

To: 81010

Code: @dhsjazz775
